Bounty

Advance to the BANK.

Men collect f200,
women collect f140.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Bounty

Bank error in your favour.

Men collect f200, women collect f140, unless a country card limiting their access to banking is active.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Bounty

You get earnings from the sale of your stock.

Men collect f50, women collect f35, unless a country card limiting their access to banking is active.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Bounty

Get out of prison free.

This card can be saved for later use or sold/traded.

Bounty

Holiday fund matures.

Men receive f100,
women receive f70.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Bounty

You inherit f100.

(Only applicable to men)

In many countries, women cannot inherit land or other property on the same basis as men.

Bounty

Husband's blanket permission to buy property on same turn.

This card can be saved for later use or sold/traded.

In some countries, women need their husband's permission for several activities, including commercial transactions.

Bounty

Husband's blanket permission to buy property on same turn.

This card can be saved for later use or sold/traded.

In some countries, women need their husband's permission for several activities, including commercial transactions.

Bounty

Go to prison.

Do not pass by the bank.
Do not collect rewards.

Bounty

You just had a child.

If you are a woman, you lose a turn to take care of your family.

Many countries do not mandate paid maternity leave, meaning women must drop out of the labor force to care for their children. Moreover, the lack of paternity or shared parental leave benefits leaves women with all the responsibility for child care.

Bounty

Pay f50 of taxes.

Bounty

The woman who obtains this card was the victim of domestic violence and loses a turn.

According to the WHO, 1 in 3 women throughout the world will experience physical and/or sexual violence or sexual violence by a non-partner in her life.

Bounty

Doctor's fee.

Pay f50.

Bounty

Receive consultancy fee.

Men collect f50,
women collect f35.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Bounty

Grand opening.

Men collect f50 per player for seats, women collect f35 per player.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Bounty

The woman who obtains this card just got fired for speaking up against sexual harassment in the workplace and loses a turn.

In many countries, there are no laws preventing gender discrimination in the workplace.

Lucky or Not

Advance to the BANK.

Men collect f200,
women collect f140.

In most countries, women still face an important pay gap.

Lucky or Not

BANK pays dividend.

Collect f50 if you're a man and f35 if you're a woman.

In most countries, women still face an important pay gap.

Lucky or Not

Get out of prison free.

This card can be saved for later use or sold/traded.

Lucky or Not

Husband's blanket permission to buy property on same turn.

This card can be saved for later use or sold/traded.

In some countries, women need their husband's permission for several activities, including commercial transactions.

Lucky or Not

Lucky or Not

Bounty

Lucky or Not

Advance to the nearest utility.

If unowned, you can buy it from the BANK if you are a man. If owned, throw dice and pay owner 10 times the amount thrown.

In some countries, women are banned from specific jobs, including electricity and water management.

Lucky or Not

Advance to the nearest railroad.

If unowned, you can buy it from the BANK if you are a man. If owned, throw dice and pay owner 10 times the amount thrown.

In some countries, women are banned from specific jobs, including railroad work.

Lucky or Not

Get out of prison free.

This card can be saved for later use or sold/traded.

Lucky or Not

Husband's blanket permission to buy property on same turn.

This card can be saved for later use or sold/traded.

In some countries, women need their husband's permission for several activities, including commercial transactions.

Lucky or Not

Go to prison.

Do not pass by the bank. Do not collect rewards.

Lucky or Not

Advance to the Park.

If you pass by the BANK, men collect £200, women collect £140.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Lucky or Not

Advance to Water.

If you pass by the BANK, men collect £200, women collect £140.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Lucky or Not

The man that collects this card has been elected Chairman of the board and collects £50.

In most countries, women remain significantly less likely than men to be appointed to a leadership position.

Lucky or Not

The woman that draws this card loses a turn for getting her period.

According to the World Bank, one in ten girls in Sub-Saharan Africa miss up to 20% of a given school year due to their menstrual cycle. In many countries, the taboo and stigma, coupled with the lack of adequate sanitary facilities, mean that girls and women are excluded from participating in education, employment, and cultural and religious practices during their period.

Lucky or Not

Go back three spaces.

Lucky or Not

The woman that draws this card loses all her crops.

According to the FAO, the yield gap between men and women farmers averages around 20-30%. Most studies have found that differences in yields between men and women exist not because women are less skilled but because they have less access to inputs such as improved seeds, fertilizers, equipment and technology.

Lucky or Not

Go to the nearest utility.

If you pass by the BANK, men collect £200, women collect £140.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Empowerment

Husband's blanket permission to buy property on same turn.

This card can be saved for later use or sold/traded.

In some countries, women need their husband's permission for several activities, including commercial transactions.

Empowerment

Your employer rolls out a new policy guaranteeing Equal Pay for Work of Equal Value.

If you are a woman, you may collect the same amount as men for the rest of the game.

In most countries, women still face an important pay gap. The WEF found that on average women across the world are paid just 63% of what men earn.

Empowerment

Maternity / Paternity / Parental leave benefits.

If you have just had a child, use this card not to lose your turn.

Many countries do not mandate paid maternity leave, meaning women must drop out of the labor force to care for their children.

Empowerment

A new law in your country allows women to work in the same occupations as men.

For the rest of this round, the woman that gets this card may buy railroads and utilities on the same basis as men.

In some countries, women are banned from specific jobs, including railroad work.

Empowerment

Learning institutions in your area launch a program to advance women and girls' education.

For the rest of the game, the woman that gets this card can receive the same amount of money as men when they pass by the bank.

According to the World Bank, for every extra year a girl stays in school, her income can increase by 11%.

Empowerment

A bank in your area participates in the 2x Challenge and rolls out a strategy to grant more loans to women.

For the rest of the game, the woman that gets this card can buy property as soon as they land on it.

Empowerment

A startup in your country offers women access to improved seeds, fertilizers and equipment.

For the rest of the game, the woman that gets this card can have as many crops as men on their property.

According to the FAO, the yield gap between men and women farmers averages 20-30%. Studies found that differences in yields between men and women exist not because women are less skilled but because they have less access to improved seeds, fertilizers, equipment and technology.

Empowerment

A startup in your country offers women access to off-grid solar energy.

For the rest of the game, the woman that receives this card can own the electric company, and can skip any penalties related to electricity.

Empowerment

A law in your country makes early marriage illegal.

For the rest of the game, the woman that gets this card can earn the same amount as men when they pass by the bank.

According to UNICEF and the World Bank, 21% of girls around the world will be married before the age of 18. Child and early marriage have a large negative effect on educational attainment for girls, and consequently on their expected earnings and household welfare.

Country Card

NIGHTTIME

Women lose a turn. Women can play again after the player who drew the card gets a second turn or another country card is placed on top of this one.

In several countries, women cannot work or move freely at night due to legal restrictions, safety concerns or social norms. In 29 countries, women cannot legally work the same night hours as men (World Bank's Women, Business and the Law 2018).

Country Card

NIGHTTIME

Women can play again after the player who drew the card gets their next turn or another country card is placed on top of this one.

In several countries, women cannot work or move freely at night due to legal restrictions, safety concerns or social norms. In 29 countries, women cannot legally work the same night hours as men (World Bank's Women, Business and the Law 2018).

Country Card

Country Card

Women lose a turn.

Women can play again after the player who drew the card gets their next turn or another country card is placed on top of this one.

In 18 countries, women require their husband's permission to work outside of home (World Bank's Women, Business and the Law 2018).

Country Card

Men get a 30% tax credit.

If men fall into a tax case or receive a card that mandates the payment of taxes, they receive a 30% credit until the player that drew this card has their next turn.

In 15 countries, specific tax deductions and tax credits are applicable only to men (World Bank's Women, Business and the Law 2018).

Country Card

Women can't mortgage properties during the next turn.

Women can mortgage property again after the player who drew the card gets their next turn or another country card is placed on top of this one.

117 countries do not prohibit discrimination by creditors based on gender. 156 countries do not prohibit discrimination based on marital status (World Bank's Women, Business and the Law 2018).

Country Card

COUNTRY RESET

This card reverts the game to its original rules. It can be saved for later use.

Many countries around the world are making progress towards gender equality. Our hope is that Unequalopolis becomes obsolete with time.

This card reverts the game to its original rules. It can be saved for later use.

Many countries around the world are making progress towards gender equality. Our hope is that Unequalopolis becomes obsolete with time.

Country Card

Women lose a turn if they fall on electricity.

104 countries restrict the kinds of jobs women can hold. Some of them include the generation of electricity (World Bank's Women, Business and the Law 2018).

Country Card

Women can't receive money from the bank during the next turn.

3 countries prevent women from opening a bank account or accessing banking services in the same way as men (World Bank's Women, Business and the Law 2018).

Country Card

Women cannot buy property for a whole turn.

Women can buy property again after the player who drew the card gets their next turn or another country card is placed on top of this one.

75 countries restrict women's property and inheritance rights (World Bank's Women, Business and the Law 2018).

Country Card

Women lose a turn.

Women can play again after the player who drew the card gets their next turn or another country card is placed on top of this one.

17 countries prevent women from traveling outside the home in the same way as men (World Bank's Women, Business and the Law 2018).

Country Card

Women cannot place crops on their property.

Women with crops must turn them back to the bank.

104 countries restrict the kinds of jobs women can hold. Some of them include the use of fertilizers in some of them (World Bank's Women, Business and the Law 2018).

Country Card

Women lose a turn if they fall on a railroad.

104 countries restrict the kinds of jobs women can hold. Some of them include railroad work in some of them (World Bank's Women, Business and the Law 2018).

Suzanne Biegel Empowerment Card

A fund manager with a gender lens investing strategy decides to invest in your business.

For the rest of the game, the woman that gets this card can buy property as soon as they land on it.

Suzanne Biegel is a global leader in gender lens investing. She is the founder of Catalyst at Large, was co-founder of GenderSmart, and is an honorary board member of 2X Global. Her work has influenced billions of dollars of capital to move in a way that is more "gender-smart."
