Client stories

GENNEIA

Genneia, a leading renewable energy company in Argentina, has installed over 1 GW of renewable energy capacity, significantly contributing to the country's climate goals. Supported by FinDev Canada with USD 80 million in loans, Genneia's projects generate clean energy and reduce CO2 emissions. The company also promotes gender equality, increasing women's representation in its workforce.

FINDEV CANADA'S FINANCIAL COMMITMENT: USD 80M (THROUGHOUT 2023–2024)

Genneia's impact

- 1.6 TWh of clean energy expected to be generated every year
- Expected to avoid approximately 720,000 tons of CO2 emissions per year. Equivalent to supplying more than 410,000 households in Argentina
- Committed to increasing women's representation across its workforce from 24% to 30% by 2027

CLIMATE INVESTOR ONE

Climate Investor One (CIO) is an investment facility focusing exclusively on renewable energy projects in emerging markets across Africa, Asia and Latin America. CIO offers financing for the entire lifecycle of a project to developers, from design to construction and into operations through a post-construction refinancing.
